

What might happen as a  
result of Test & Trace

JOIN THE MOVEMENT

#RISEAGAIN

Individual tests  
positive

- They must contact NHS test & trace
- They must follow the advice of NHS test & trace. This may include providing details of where you have been.
- If netball is involved in the list they provide to NHS test and trace; they may require details of the COVID-19 Officer.
- The individual should also notify the COVID-19 Officer

COVID-19 Officer  
may be contacted  
for details

- NHS test & trace scheme may want to make contact with the COVID-19 Officer
- The COVID-19 Officer may need to provide the contact details of any other members that were at the session and could have been in contact with the positive case.
- If competition, the COVID-19 Officer should also provide details to NHS of the oppositions COVID-19 Officer.
- The COVID-19 Officer, should notify the opposition COVID-19 Officer as well as the league COVID-19 Officer.

Notification

- If there are more than 2 positive cases of COVID-19 in any modified netball activity in a 14 day period; the COVID-19 Officer should notify England Netball on [Covid@Englandnetball.co.uk](mailto:Covid@Englandnetball.co.uk)
